

INK EXPEDITION

Your Tattoo is Just the Beginning of the Adventure.

The background image is a composite. The left side shows a dense urban skyline of Bogotá at night or dusk, with lights from buildings visible. The right side shows a dramatic landscape with a river flowing through a deep canyon. Two people are seen paragliding over the river, and a group of people is rafting in the foreground. The overall tone is adventurous and scenic.

MORE THAN INK, AN ADVENTURE IN COLOMBIA

Your tattoo may be the reason for the trip, but the experience will be so much bigger. With **INK EXPEDITION**, you'll experience Bogotá through its culture, gastronomy, nightlife and extreme activities like skydiving, paragliding, rafting and more, creating memories that will last long after your tattoo is finished.
